Mr. Ridenour:

I would like to introduce you to the CALFED Bay-Delta Program - an historic joint State-Federal cooperative effort, supported by a unique and broad coalition of stakeholders, to resolve environmental and water management problems associated with California's Bay-Delta system.

Pietro Parravano, a member of the Bay-Delta Advisory Council, has requested that I inform you of the Program's efforts. I have enclosed some background material about the CALFED Bay-Delta Program for your information. We would welcome any comments, suggestions or critiques you might offer to improve our program. If you have any questions or desire more information, please call me or Greg Zlotnick, our Public Affairs Officer, at (916) 657-2666.

Sincerely,

Lester A. Snow, Executive Director
